

Dear Members,

We have launched our new “Progress” Badge Scheme to encourage beginners and less experienced archers and reward them for continued improvement.

The scheme applies to the indoor Portsmouth round and outdoors to the Warwick round and the Junior Warwick round.

Badges are awarded as levels of a score are achieved. All bow types can claim.

If you achieve a set score level either at Symingtons or our indoor venue or at an away shoot, there is a simple claim form to complete.

These are held by Frank Cutri, Rebecca Lantsbery and myself. Your score will then be checked and if all is well the appropriate badge awarded.

Please note if you are claiming from an away shoot we will need to see your actual score sheet or a copy of the tournament result sheet.

A badge can only be claimed once and you cannot go back and claim for a lower level.

Although this is primarily aimed at beginners and less experienced archers all Club members can join in.

Thank you.

Mark.
